

HOSPITAL PROPOSAL (2021 – 2022)

Image: Artist's impression of ~\$52 million, four-storey world-class integrated cancer centre and research hub

PROPERTY

Health Care Precinct

Think Planners were thrilled to assist in the preparation and lodgement of a regionally significant private hospital for NorthWest Healthcare Properties Management ("NorthWest").

The site comprised 27,840m² of land proximate to Campbelltown CBD in South West Sydney.

The site will contribute to a significant healthcare precinct in partnership with the landowner and Campbelltown City Council.

The application represents a initial investment of \$76.6 million.

CATEGORY

Private Hospital

CLIENT

Norwest

PROJECT VALUE

\$76.6 million

OUR INVOLVEMENT

- Early input on design development. Articulation of development options and relevant planning controls
- Liaising with Campbelltown City Council at the Pre Lodgement phase to ensure that the design and the response to planning controls are understood and supported.
- Preparation of Statement of Environmental Effects.
- Assist in guiding inputs from specialist and sub consultants.
- Application Lodgement.
- Liaise with Regional Planning Panel and facilitate approval in a 8 month timeframe.

Health related projects align with the values of Think Planners. In recent time we have received approval for 6 private hospitals from the Northern Beaches, to Penrith and Campbelltown.
